

Highgate Marlborough Sauvignon Blanc

In a relatively short period of time the Marlborough region on New Zealand's South Island has become the source of one of the world's most popular wine styles, Marlborough Sauvignon Blanc.

Expert winemakers have made the most of the natural advantages of the climate and the vineyards, with their sandy soils over slate shingles, to produce a wine that is aromatic, herbaceous with a lovely acidity! And very drinkable!

Highgate Marlborough Sauvignon Blanc is typical of one of the world's most recognized wine styles.

Pale straw yellow in color, the wine is intensely aromatic. There are lovely tropical fruit flavours of passionfruit and guava on the palate which finishes fresh, crisp and dry with excellent length.

A wonderful accompaniment to shellfish, seafood and other white meats.
